*We stand up for your rights!*

## Your own lawyer in the Naturvetarna membership.

With Juristförsäkringen, you have an insurance that gives you the security and benefit of having a lawyer by your side – without legal fees. A lawyer who helps out with your everyday legal issues and gives you unlimited hours of legal support per year, including for lawsuits. No hourly rates, no deferred period. Your cost is restricted to an insurance premium of 35 SEK per month.

Juristförsäkringen covers your household – you, your husband, wife or partner and children up to the age of 20 on the same address.

Put your lawyer to work with anything from good advice to court proceedings. Remember – you are entitled to your rights!

## All this is included.

### Legal advice
